

AARON BROOKS

BIO

Aaron Brooks, former lead singer/songwriter of the acclaimed American psychedelic rock outfit Simeon Soul Charger released his debut solo album *Homunculus* in 2018, a genre-bending pastiche of psychedelic rock, folk, and Americana coupled with orchestral elements. The album's release was followed by a string of European tours spanning 12 countries. Brooks is currently in pre-production for an ambitious follow-up to *Homunculus* titled *Juggernaut* with more live performances to follow.
